

ENGLISH-TAUGHT PROGRAMS AND MODULES AT HESSEN UNIVERSITIES

Program/Department	Degree	Modules (subject to change each semester)	Link
Hochschule Darmstadt			
Digital Media	Bachelor		http://www.mas.h-da.de/Digital_Media_Study_Programme
Computer Science (JIM)	Master		http://www.fbi.h-da.de/studium/jim.html
Global Business Management	Master		http://www.gbm.h-da.de/
Master of Business Administration	Master		http://www.mba.h-da.de/
Electrical Engineering	Master		http://www2.h-da.de/mse/msc_ind.htm
Media Direction	Master		http://www.mas.h-da.de/Start/

Please find detailed information about

- type of program/module/degree
- course level
- requirements for the course

by clicking on the respective link

Fachhochschule Frankfurt am Main				
Bioprocess Engineering	Bachelor	Biotechnology Heat and Mass Transfer Fluid Dynamics	<p>Please find detailed information about</p> <ul style="list-style-type: none"> • type of program/module/degree • course level • requirements for the course <p>by clicking on the respective link</p>	http://www.fh-frankfurt.de/en/study_opportunities/courses_in_english.html
Computer Science	Bachelor	Software Engineering Analysis Statistics Object-oriented Programming in Java Databases Computer Networks Operating Systems Software Engineering Design Numerics Real-Time Systems IT Security		http://www.fh-frankfurt.de/en/study_opportunities/courses_in_english.html
Electrical and Information Engineering	Bachelor	Embedded Intelligent Systems Signals and Systems Electrical Power Networks Microcomputer Systems Signal Transmission Technology Information and Communication Technology and Project		http://www.fh-frankfurt.de/en/study_opportunities/courses_in_english.html
Business Information Systems	Bachelor	Enterprise Resource Planning Data Warehouse Information Management Electronic Commerce		http://www.fh-frankfurt.de/en/study_opportunities/courses_in_english.html
International Finance	Bachelor	Computer Based Investment Analysis German and European Banking Monetary Economics and ECB-Watching Multinational Finance International Taxation Project Management Intercultural Communication		http://www.fh-frankfurt.de/en/study_opportunities/courses_in_english.html
Social Work	Bachelor			http://www.fh-frankfurt.de/en/study_opportunities/courses_in_english.html
Urban Agglomerations	Master			http://www.fh-frankfurt.de/en/study_opportunities/courses_in_english.html
High Integrity Systems	Master			http://www.fh-frankfurt.de/en/study_opportunities/courses_in_english.html

Information Technology	Master			http://www.fh-frankfurt.de/en/study_opportunities/courses_in_english.htm
Strategic Information Management	Master			http://www.fh-frankfurt.de/en/study_opportunities/courses_in_english.htm
Goethe-Universität Frankfurt				
Business Administration	Ex. MBA	Financial Accounting Managerial Effectiveness Global Financial Management Managerial Economics Managing in the Global Economic Environment Corporate Strategy Managerial Accounting Statistics and Quantitative Analysis Marketing Management Global Operations, Logistics & Supply Chain Management Intercultural Management and Business Technology Information and Innovation Management		www.gbs.uni-frankfurt.de
Computational Sciences	Master	Introduction to MATLAB Numerical Analysis Numerical Linear Algebra (Numerical Methods for) Differential Equations Software Design and Construction Parallelization Computer Architectures Parallel and Distributed Algorithms Visualization Data Mining Electronic Design Automation Programming in FORTRAN Hydrodynamics and Transport Theory Statistical Mechanics The Structure/Dynamics of Minerals/of the Earth Atmospheric Dynamics I&II Quantum Many-Particle Problem Quantum Chemistry Quantum Theory on the Lattice Computational Hydrodynamics Theoretical Neuroscience Nonlinear Dynamics and Complex Systems Modelling of Atmospheric Dynamics etc.	<p>Please find detailed information about</p> <ul style="list-style-type: none"> • type of program/module/degree • course level • requirements for the course <p>by clicking on the respective link</p>	www.physik.uni-frankfurt.de/mpcs

International Economics and Economic Policy	Master	<p>Fundamentals of Micro-/Macroeconomics Fundamentals of Econometrics Fundamentals of International Economics Public Policy Growth and Development Microeconomics Aspects of Development Economics of Taxation Monetary Theory and Policy Industrial Economics Economic Integration Strategic Trade and Multinational Enterprises Fiscal Affairs in the EU International Money and Finance Financial Systems History/Development of General Equilibrium Theory Stochastic Calculus in Finance and Econometrics Practice of International Taxation Institutions and Innovation Currency and Monetary Policy European Policies for Research and Innovation Economics of Climate Change</p>		<p>www.wiwi.uni-frankfurt.de/studienprogramme/master/master-in-international-economics-and-economic-policy.html</p>
Money and Finance	Master	<p>Fundamentals of Micro-/Macroeconomics Fundamentals of Econometrics Capital Markets and Asset Pricing Corporate Finance and Valuation Topics in Money and Macroeconomics Monetary Theory and Policy Financial Structure and Monetary Transmission Central Bank Watching International Macroeconomics International Money and Finance Household Finance Economics of Taxation Fiscal and Tax Policy in the EU Advanced Corporate Finance Derivatives Commercial Banking Integrated Risk Management International Banking: Financial Systems Advanced Investment and Pension Finance Stochastic Calculus in Finance and Econometrics Monetary and Fiscal Stabilization Policies International Money and Finance Household Saving, Borrowing, and Portfolios The Euro and the Conduct of Monetary Policy Exchange Rate Economics and Policy Central Bank Transparency Monetary Transmission: Theory and Evidence etc.</p>	<p>Please find detailed information about</p> <ul style="list-style-type: none"> • type of program/module/degree • course level • requirements for the course <p>by clicking on the respective link</p>	<p>www.wiwi.uni-frankfurt.de/mmf</p>

Quantitative Economics	Master	Advanced Micro-/Macroeconomics Theory I&II Advanced Econometrics I&II Mathematical Methods Dynamic Capital Market Theory I&II Marketing Performance Measurement Advanced Research Methodology/ Measurement Research in Economics/Finance/Marketing etc.		http://www.wiwi.uni-frankfurt.de/studienprogramme/master/master-in-quantitative-economics.html
Hochschule Fulda				
International Management	Bachelor	Marketing Management Human Resource Management Business Management/Leadership Case Studies in Business Management		www.hs-fulda.de/ibwl
International Business Administration	Bachelor	Business English/Academic English Communication and Presentation Finance and Accounting Cost Accounting/Controlling		http://www.hs-fulda.de/index.php?id=5586&L=1
European and Intercultural Competences in Theory and Practice (Social Work)	Bachelor	European Competences and Fundamentals of Intercultural Competences European Placement in an Intercultural Context Institutions of Social Work Sustainable Development in Social Work German as a Foreign Language		www.hs-fulda.de/internationalcourse
Nursing and Health Science		Nursing Science II		www.hs-fulda.de/pgsg
Food Technology		Hygienic Design		www.hs-fulda.de/fb/ft/index.htm
International Food Business and Consumer Studies	Master	Research Methods Nutritional and Consumer Behaviour International Legislation on Consumer Protection and Food Product Development and Intercultural Marketing Information Systems for the Food Industry Management of Innovations in the Food Industry Food Chain Management Recent Developments in Food and Nutritional Sciences Consumer Science and Sustainable Nutrition Management Simulation	Please find detailed information about <ul style="list-style-type: none"> • type of program/module/degree • course level • requirements for the course by clicking on the respective link	www.hs-fulda.de/ifbc
Intercultural Communication and European Studies	Master	Intercultural Communication: Semiotic and Pragmatic Models Recent developments in the Study of Intercultural Education New Methods in Intercultural Training and Intercultural Education		www.hs-fulda.de/iceus

		European Integration: History, Development, Organisation International Organisation German as a Foreign Language for Intermediate Learners Languages Intercultural Negotiations Cultural Sensitivity Training European Public Policy Issues Change Management Project Management		
International Management	Master	International Management Int'l Human Resource Management and Organisational Behaviour Business Management in an international context Project Seminar Business Communication, Presentation and Media Application Global Business Management Strategies Project Studies	Please find detailed information about <ul style="list-style-type: none"> • type of program/module/degree • course level • requirements for the course by clicking on the respective link	www.hs-fulda.de/imgmt
Electronic Business	Master	Development of Business Applications Business Process Analysis, Evaluation and Re-Design Enterprise Resource Planning Systems Strategic Management/Consulting Knowledge Management/Data Warehouse Logistics/E-Marketing Projects		www.informatik.hs-fulda.de/ebusiness
Fachhochschule Giessen-Friedberg				
International Semesters Business Administration	Bachelor	Foundations of International Management Country Risk Analysis Core Competencies of International Management Strategic Management International Financial Management International Marketing European Economic Policy Data Modelling and Database Systems	Please find detailed information about <ul style="list-style-type: none"> • type of program/module/degree • course level • requirements for the course by clicking on the respective link	http://www.w.fh-giessen.de/servlet/page?_pageid=55,57,60&_dad=portal30&_schema=PORTAL30&SG=&Ausl_Cont=2
International Marketing	Master	Company Simulation Game International Marketing Marketing Research Strategic Management Leadership and Communication International Marketing Seminar International Sales Management Country Risk Analysis International Management		www.fh-giessen-friedberg.de/w/maim

Information and Communications Engineering	Master	Major Fields of ICE/Intercultural Competence Data Transmission Optical Communications and Waveguides Advanced Digital Signal Processing IP Based Networks and Protocols Internet Protocols and Applications Wireless Access Technology Project Management Reading and Conferences Digital Image Processing Object-oriented Programming Digital Audio and Video Production Testing and Evaluation of Biometric Systems Modelling and Simulation of Heterogeneous Technical Systems High Speed PCB-Design Computer Animation and Virtual Reality Strategic Management		http://ice.fh-friedberg.de
Justus-Liebig-Universität Giessen				
Law		Training for a European Law Moot Court English Contract Law Special International Law		http://www.uni-giessen.de/cms/internationales/ce/01
Business Administration and Economics		Business Communications Basics Oral Communication Intercultural Communication Rhetoric for Managers		http://www.uni-giessen.de/cms/internationales/ce/02
Social Sciences and Cultural Studies		Conflict and Cooperation in Central Asia Germany's Foreign Relations The East-West Conflict Crisis in Eastern Europe and the EU's response Introduction to Neurolinguistics		http://www.uni-giessen.de/cms/internationales/ce/03
Psychology		Thinking and Reasoning Social Memory Current Topics in Perception and Cognition Organisational Development and Innovation Methods of Cross-Cultural Psychology and International Entrepreneurship Leadership and Groups Performance & Selection Vision: Seminal Work and Perspectives	Please find detailed information about <ul style="list-style-type: none"> • type of program/module/degree • course level • requirements for the course by clicking on the respective link	http://www.uni-giessen.de/cms/internationales/ce/06
Physics		Elementary Processes in Quantum Field Theory Theoretical Hadron Physics		http://www.uni-giessen.de/cms/internationales/ce/07
Geography		Landscape Ecology: the analysis of natural resources and natural hazards Climate Change, health, and food security		http://www.uni-giessen.de/cms/internationales/ce/07

Biology		Whole Plant and Community Ecophysiology Current Advances in Plant Physiology and Plant Molecular Biology		http://www.uni-giessen.de/cms/internationales/ce/08
Chemistry	Bachelor Master	Computational Chemistry Medicinal Chemistry all Master courses - on demand		http://www.uni-giessen.de/cms/internationales/ce/08
Agriculture, Nutrition, and Environmental Management		Public Health Nutrition Biotechnology and Genomics Microbial-Food-Biotechnology Special Biochemistry II Applied Statistics and Environmental Informatics Biotechnology and Genomanalysis Current Developments in Nutritional Sciences Economic Development and World Agricultural Markets Host-Intestine-Microbe Interaction for Nutrition and Health Resistance and Quality Breeding Plant Microbe Interactions Resource Economy and Environmental Management	Please find detailed information about <ul style="list-style-type: none"> • type of program/module/degree • course level • requirements for the course by clicking on the respective link	http://www.uni-giessen.de/cms/internationales/ce/09
Transition Studies	Master			http://www.uni-giessen.de/zeu/TS
Universität Kassel				
Global Political Economy	Master	Migration, Nationalism and Citizenship Climate Change and Problems of the Global Environment		www.ma-gpe-uni-kassel.de
Electrical Communication Engineering	Master	Optoelectronics Project Work Digital Communications Project Work Microwaves Project Work Mobile Internet Project Work Digital Communications I Optical Communication Systems Introduction to Signal Detection and Estimation Mathematical Foundations of Electromagnetic Field Theory I Microwave Integrated Circuits II Microwaves and Millimeter Waves I	Please find detailed information about <ul style="list-style-type: none"> • type of program/module/degree • course level • requirements for the course by clicking on the respective link	www.ece.uni-kassel.de
International Management Module	Certificate	International Operations Management International Business Environment International Finance International Human Resource Management International Marketing Fundamentals of International Management		www.ibwl.uni-kassel.de/marketing/imm.html

Higher Education	Master	Higher Education - State and Society Higher Education and Work: Acquisition of Competencies and first employment Curriculum development, Course Design, Higher Education Didactics, Evaluation of Teaching Gender Change Management Research Management, Indicators and Evaluation Data Collection and Analysis II		www.incher.uni-kassel.de/mahe
English and American Studies	Bachelor, Master	American Protestantism(s): Reformations and reform, 1650-1900 Designing your own research project and writing your thesis Language Awareness and Cultural Awareness Logical models in computational linguistics Modernism in the South: William Faulkner Myth and Literature Playing Games: the Metatheatrical Impetus Signs and Metasigns, Sense and Nonsense in Lewis Carroll's Alice Books Teachers as Researchers: Focus on the EFL Classroom The ABCs of Cultural Understanding and Communication: History and Cultural Identity Transitions: Intermediality, Intertextuality Wittgensteinian Linguistics Advanced Research Colloquium in Linguistics Blended Learning Exam Colloquium OK Linguistics European Images of America, 1492-2008	Please find detailed information about <ul style="list-style-type: none"> • type of program/module/degree • course level • requirements for the course by clicking on the respective link	cms.uni-kassel.de/unicms/index.php?id=1229
English as Foreign Language	Teacher Certificate	Advanced Studies in CLIL How Languages are Learned How to work with literature from a cultural perspective Iconicity in Language Imagery, Relaxation, Concentration Introduction to English Teaching Methodology A practical Approach to teaching English CLIL: Classroom Observation, Analysis and Evaluation (SPS CLILL) Cooperative Learning in the EFL Classroom Creating Tasks for Listening Comprehension Cultural Education in Primary School Teaching Error Analysis Evaluation and Assessment How to support students' use of learning strategies - A hands-on training Introduction to CLIL		cms.uni-kassel.de/unicms/index.php?id=1317

		Media in the English Classroom Microteaching with a focus on working with textbooks Reading in the EFL Classroom Short stories in the EFL Classroom		
English Studies	Diploma, Bachelor, Master	Fomallogic and maths for computational linguistics Introduction to African American History Introduction to Cognitive Grammar Introduction to Drama: 20th Century British and American Theatre Introduction to Fiction Introduction to Syntax Modern American Poetry Shakespeare Rewritings Make it New: American Literature, 1865-1918 History of the English Novel II	Please find detailed information about <ul style="list-style-type: none"> • type of program/module/degree • course level • requirements for the course by clicking on the respective link	cms.uni-kassel.de/unicms/index.php?id=1317
Natural Sciences	Diploma	Genregulation		www.biologie.uni-kassel.de/genetics/
	Diploma, Master	Quantum Mechanics II		www.physik.uni-kassel.de/?id=430
Civil Engineering	Master	Introduction to Continuums Mechanics		cms.uni-kassel.de/unicms/index.php?id=md_home
International Organic Agriculture	Master	Organic Farming under temperate conditions Organic Livestock Farming under temperate conditions Animal Husbandry and sustainable landuse		www.uni-kassel.de/agrar/?c=35
International Food Business and Consumer Studies	Master	Food quality Management Recent developments in food and nutritional sciences		www.uni-kassel.de/agrar/?c=239
Agricultural and Food Sciences	Diploma Bachelor	Crop Husbandry and Techniques in the Tropics		www.uni-kassel.de/agrar
Philipps-Universität Marburg				
Physics		Biophotonics Computational Physics Modern topics in biological hydrodynamics Laser Spectroscopy Many-Particle Theory of Solids Many-Body Problems Metallic Magnetism Molecular Materials and Electronic Devices Nanophysics and Nanotechnology Quantum Optics Electron-Electron Interactions in Solids Quantumoptics in Semiconductors Turbulence Ultrafast Spectroscopy	Please find detailed information about <ul style="list-style-type: none"> • type of program/module/degree • course level • requirements for the course by clicking on the respective link	All English-taught courses can be found in the course catalogue: https://qis.verwaltung.uni-marburg.de/qisserver/rds?state=wtree&search=1&menuid=lectureindex

Social Studies		Contemplate.Deliberate.Act. What kind of "talk" does social change need? Did Diplomacy end the Cold War? Political Participation in the USA The Israel-Palestine Conflict The UN and International Law		All English-taught courses can be found in the course catalogue: https://qis.verwaltung.uni-marburg.de/qisserver/rds?state=wtree&search=1&enuid=lectureindex
Business and Economics		Contract Theory Cost-Benefit-Analysis Development Economics European Competition Policy European Economic Integration Institutions of International Economics International Agricultural Policy International Economics International Macroeconomics and Finance Introduction to Development Economics Monetary Economics Political Economy of International Organizations		All English-taught courses can be found in the course catalogue: https://qis.verwaltung.uni-marburg.de/qisserver/rds?state=wtree&search=1&enuid=lectureindex
Biology		Current Methods in Molecular Biology II Metabolic regulation - a human perspective Nature Conservation in America	<p>Please find detailed information about</p> <ul style="list-style-type: none"> • type of program/module/degree • course level • requirements for the course <p>by clicking on the respective link</p>	All English-taught courses can be found in the course catalogue: https://qis.verwaltung.uni-marburg.de/qisserver/rds?state=wtree&search=1&enuid=lectureindex
Geography		Geomorphology		All English-taught courses can be found in the course catalogue: https://qis.verwaltung.uni-marburg.de/qisserver/rds?state=wtree&search=1&enuid=lectureindex
Psychology		Close relationships		All English-taught courses can be found in the course catalogue: https://qis.verwaltung.uni-marburg.de/qisserver/rds?state=wtree&search=1&enuid=lectureindex
Fachhochschule Wiesbaden				
International Business Administration	Bachelor	Business in English I-III Marketing International Economic Relations Accounting/Controlling Financial Management		http://fh-web1.informatik.fh-wiesbaden.de/go.cfm/fb/14/sprachid/1/lpid/107/sid/0.html

International Business Administration	Master	International Controlling, Accounting, and Taxation International Economic Relations International Finance International Marketing Cross Cultural Management Information and Knowledge Management Project Management	<p>Please find detailed information about</p> <ul style="list-style-type: none"> • type of program/module/degree • course level • requirements for the course <p>by clicking on the respective link</p>	http://web-1k.rz.fh-wiesbaden.de/go.cfm/fb/14/lpid/141/sprachid/1/sid/0.html
Business Administration	Bachelor	International Economics Management and Leadership Skills International Business Negotiations		http://fh-web1.informatik.fh-wiesbaden.de/go.cfm/fb/14/lpid/106/sprachid/1/sid/0.html
Insurance and Finance	Bachelor	Financial Markets		http://fh-web1.informatik.fh-wiesbaden.de/go.cfm/fb/14/lpid/108/sprachid/1/sid/0.html
Master of Laws - Accounting and Taxation	Master	International Economics International Strategic Management		http://fh-web1.informatik.fh-wiesbaden.de/go.cfm/fb/14/sprachid/2/lpid/139/sid/0.html
Master of Arts in Finance	Master			http://fh-web1.informatik.fh-wiesbaden.de/go.cfm/fb/14/sprachid/1/lpid/126/sid/0.html
Master of Arts in Sales and Marketing	Master			http://fh-web1.informatik.fh-wiesbaden.de/go.cfm/fb/14/lpid/137/sprachid/1/sid/0.html
Communication Design	Bachelor	Layout Techniques Presentation Techniques Project Corporate/Information/Editorial Design Project Advertising Project Sales Promotion (Packaging Design) Project Illustration Project Multimedia, Internet, CD Rom Project Videofilm Project Computer Animation Figure Drawing/Artistic Anatomy Woodcut/Etching/Relief Printing Color Art and Experiment Illustration Photography Layout Graphic, Design Film Technique Animation/Multimedia/Video Editing Software		http://fh-web1.informatik.fh-wiesbaden.de/go.cfm/fb/22/lpid/56/sprachid/1/sid/101.html
